2.1.3. Players and club officials must at all times accept the umpire's decision. Players must not show dissent at the umpire's decision or react in a provocative or disapproving manner towards another player or a spectator.

2.1.4. Players and club officials shall not intimidate assault or attempt to intimidate or assault an umpire, another player, a club official or a spectator.

2.1.5. Players and club officials shall not use crude and/or abusive language (known as "sledging"), nor make offensive gestures or hand signals, nor deliberately distract an opponent.

2.1.6. Players and club officials shall not use language or gestures that offend, insult, humiliate, intimidate, threaten, disparage or vilify another person on the basis of that person's race, religion, sexual orientation, colour, descent or national or ethnic origin.

2.1.7. Players and club officials shall not use or in any way be concerned in the use or distribution of illegal drugs.

2.1.8. Players and club officials shall not make any public or media comment which is detrimental to the League, clubs, umpires or the game in general. In this instance, media shall include press, radio, television, external websites, club websites, social networking sites and club match programmes.

2.1.9. Players and club officials shall not disclose or comment upon any alleged breach of this Code or upon hearing any report or decision arising from such breach.

2.1.10. Clubs must take adequate steps to ensure the good behaviour of their players, officials, members and supporters.

2.2. Spirit of Cricket

Cricket is a game that owes much of its unique appeal to the fact that it should be played not only within its Laws, but also within the Spirit of the Game. Any action which is seen to abuse this spirit causes injury to the game itself. The major responsibility for ensuring the spirit of fair play rests with the captains.

2.2.1. There are two Laws which place the responsibility for the team's conduct firmly on the captain.

2.2.2. The captains are responsible at all times for ensuring that play is conducted within the Spirit of the Game as well as within the Laws.

2.2.3. In the event of any player failing to comply with the instructions of an umpire, criticising his decision by word or action, showing dissent, or generally behaving in a manner which might bring the game into disrepute, the umpire concerned shall in the first place report the matter to the other umpire and to the player's captain, requesting the latter to take action.

2.2.4. Captains and umpires together set the tone for the conduct of a cricket match. Every player is expected to make an important contribution to this.

2.3. Fair and Unfair Play

2.3.1. According to the Laws the umpires are the sole judges of fair and unfair play.

2.3.2. The umpires will intervene at any time, and it is the responsibility of the captain to take action where required.

2.4. The umpires are authorised to intervene in cases of:

2.4.1. Time wasting.

2.4.2. Damaging the pitch.

2.4.3. Dangerous or unfair bowling.

2.4.4. Tampering with the ball.

2.4.5. Any other action that they consider to be unfair.

2.5. The Spirit of the Game involves RESPECT for:

2.5.1. Your opponents.

2.5.2. Your own captain and team.

2.5.3. The role of the umpires.

2.5.4. The game's traditional values.

2.6. It is against the Spirit of the Game:

2.6.1. To dispute an umpire's decision by word, action or gesture.

2.6.2. To direct abusive language towards an opponent or umpire.

2.6.3. To indulge in cheating or any sharp practice.

2.6.4. To appeal knowing the batsman is not out.

2.6.5. To advance towards an umpire in an aggressive manner when appealing.

2.6.6. To seek to distract an opponent either verbally or by harassment with persistent clapping or unnecessary noise under the guise of enthusiasm and motivation of one's own side.

2.7. Violence

There is no place for any act of violence on the field of play.

3. BREACHES

3.1. A breach of the disciplinary regulations occurs when

3.1.1. Any player who offends against the Code of Conduct or acts at any time to prejudice the good name or interests of the Leagues.

3.1.2. Any club fails to properly control or discipline its players or acts in a manner prejudicial to the good name or interests of the Leagues.

3.2. Any player or club committing such a breach shall be liable to penalties in the manner prescribed in this document.

3.3. A breach of the Code of Conduct will normally be categorised as Level One, Two, Three or Four as set out in section 9.

4. PROCEDURE

4.1. Reporting of Breaches.

4.1.1. For a first offence of a Level One severity in a match, the umpire(s) should warn the player as to his future conduct and advise him and his captain that any repetition in the match will result in a formal report.

4.1.2. If any player receiving such a warning then commits a further offence in the match, the umpire(s) will advise him and his captain that they will be submitting a formal report.

4.1.3. Should the umpire(s) consider that the first offence is sufficiently serious, they have the authority to decide to submit a formal report without having previously issued any warning. The player and his captain will be advised accordingly.

4.1.4. Notification that a report is to be submitted following any alleged breaches must first be advised by the umpire(s) to the player and his captain or the executive of the player's club on the day of the alleged offence prior to leaving the ground. Where no appointed Umpire is present, the complaint may be lodged by a club.

4.1.5 All reports and complaints must be received by the relevant League Secretary within 72 hours of the alleged incident.

4.1.6 All reports and complaints may be made via letter or preferably email in plain text. Umpire(s) are free to use the official ECB report forms if they wish.

4.2. On receipt of a report or complaint

4.2.1. The relevant League Secretary will act as Disciplinary Secretary for that case.

4.2.2. If it is deemed by the Umpire(s) in their report (or the Panel in the case of a complaint) to be a Level One offence, the League Secretary will write to club within 72 hours and request information as to what action the club has taken.

4.2.3. The club will reply to the Secretary within seven days of receipt of the letter.

4.2.4. If the Panel decide that the action taken is sufficient, a letter to that effect will be sent to the relevant club within 72 hours of the decision and no further action will be taken. However, the Panel may decide to refer the report to a full Panel Hearing.

4.2.5. The Panel will automatically hear offences deemed to be above Level One.

All Level One offences will be recorded. Two Level One offences in a season will result in a two match ban. In all Level Two offences, the club will be instructed to take action, and the player banned for two matches. Failure of the club to take appropriate action will result in a Disciplinary Hearing, when the ban will be increased to whatever the Disciplinary Committee deem suitable. More serious offences will result in an automatic Disciplinary Hearing.

4.3. Suspensions imposed shall be advised in writing to the relevant club's County Board. Match bans will apply to all cricket played under the auspices of ECB.

4.4. In the case of an incident involving a player under the age of 18 years old, the County Board Welfare Officer will immediately be informed. In such circumstances, the incident will be regarded as a welfare and child protection case. If the incident is being investigated by another organisation the Panel will await the outcome of that investigation before taking any further action.

5. DISCIPLINARY HEARINGS

5.1. If a hearing is required, then the relevant League Secretary will be responsible for arranging the hearing.

5.2. Format of the Disciplinary Committee

5.2.1. Each League shall nominate 3 people to sit on the Disciplinary Committee at the commencement of each season. No other persons will sit on the commission apart from these appointed people in that season. The nominated persons shall not be the League Chairmen nor their deputies.

5.2.2. The nominated person will act as the Chairman for their League's hearings on a case-by-case basis.

5.2.3. A member from two other Leagues would also be in attendance. An Umpires' representative will be present at all hearings, with full voting rights. Where it is deemed necessary, the relevant League Child Welfare Officer will be present but have no voting rights. The relevant League Secretary would act as the Panel Secretary but have no voting rights.

5.2.4. No member of the Panel should be connected with the player, the club or their opponents at the time of the alleged breach, or a club which might directly benefit from any disciplinary action.

5.3. Dates of Hearings

The Panel will convene monthly during the season on the last Wednesday of the month if required. Appeals will be heard on an ad-hoc basis, but may be heard on the same night as a Panel meeting if appropriate.

5.4. The accused player or club shall be entitled:

5.4.1. To submit written statements ahead of the hearing.

5.4.2. To attend the hearing.

5.4.3. To state his case (in the case of a club, by a club official).

5.4.4. To be supported by a colleague and to call witnesses.

5.4.5. To have legal representation. If the player or club is to have representation present at the hearing then the details of that representation must be given to the Panel Secretary not less than 48 hours before the date of the hearing. A club or player involved in disciplinary proceedings will be solely responsible for meeting such costs or expenses as it or they may incur, including the cost of any legal or other representation.

5.5. The standard of proof shall be on the balance of probabilities rather than the criminal standard of beyond reasonable doubt.

5.6. Decisions of the panel shall be by simple majority vote. Where necessary the Disciplinary Panel Chairman will use an extra casting vote.

6. APPEALS

6.1. A notice of appeal setting out the grounds must be given in writing to the hearing Secretary within seven days of the decision of the Disciplinary Panel, together with a deposit of £50 if the appeal is by a player or £150 if the appeal is by a club.

6.2. If a notice of appeal is given, the penalty shall not take effect pending the hearing of the appeal, which shall take place as soon as is practicable and in any event within 14 days of receipt of notice of the appeal.

6.3. The player or club shall have the same entitlements as set out for the original hearing.

6.4. The relevant League Chairman or his nominated deputy will act as the Appeal Chairman on a case-by-case basis.

6.5. The Appeal Panel members will be constituted in the same manner as the original Hearing Panel. None of the original Hearing Panel members bar the Panel Secretary and the League Child Welfare Officer (if required) will sit on an appeal panel.

6.6. The only grounds for appeal will be

6.6.1. Mistaken identity.

6.6.2. Mistakes in procedure.

6.6.3. Production of new evidence.

6.6.4. Mitigating circumstances.

6.7. The appeal shall take the format of a complete re-hearing, taking regard to any extra evidence produced.

6.8. The appeal panel may

6.8.1. Dismiss the appeal for invalid grounds.

6.8.2. Waive or increase any penalties imposed by the original hearing.

6.9. Non-attendance at a hearing of the Appeals Panel by the club or person that submitted the appeal without good and valid reason for such non-attendance will automatically result in forfeiture of their right of appeal.

6.10. The decision arrived at by an appeal panel, or if no appeal is lodged within the proscribed time limit, of the hearing panel shall be final and binding on all parties.

6.11. Any decisions will be conveyed to the clubs and umpire(s) involved within seven days of the hearing date.

6.12. Decisions of the panel shall be by simple majority vote. Where necessary the Disciplinary Panel Chairman will use an extra casting vote.
