### **IS THE FORTY CLUB FOR YOU?**

The historic aim of the Club since foundation in 1936 has been 'to take cricket to the schools' by offering fixtures against experienced cricketers who would encourage the young cricketers to play the game to the highest standards of performance and behaviour, and in the best spirit of the game. Nowadays, most of the 130 or so schools, colleges and youth XIs that we play are able to enjoy the services of professional coaching so we leave the performance side of the game to them. Meanwhile the Forty Club will continue to encourage the qualities of the Spirit of Cricket, to encourage the young men and women to play cricket, stay in the game, enjoy it, develop their skills and to recognise and applaud good performance.

We play midweek and Sunday cricket all over UK at some of the finest grounds, playing some 130 fixtures a season against Colleges, Schools and Youth XIs, plus another 80 against clubs. We usually organise 2 overseas tours a year and hold an annual dinner at a prestigious venue in London.

Here in The Eastern Counties District [Essex, Suffolk, Norfolk, Cambs, Beds.] we have 26 fixtures planned for 2017.

Full membership is only £30 pa for over 35s; associate membership is only £10 pa for 18 to 35s: and we offer free membership to school masters!

If you love good cricket like we love good cricket, come and join us. You'll find us at [www.thefortyclub.co.uk](http://www.thefortyclub.co.uk) or call *Robert Smith 07818 091320 [DC]/ robert.smith@fpcc.eu* or *Nigel Buckingham-Jones 07798 751078/ nigel.buckinghamjones@ntlworld.com*

## CHAIRMAN'S REPORT 2022

The season ran smoothly again with very few issues, the one exception being that of one discipline incident. This was made worse by being posted on Social Media by their opponents, just a reminder the discipline regulations cover that. Generally, discipline is not an issue in the League, but I do admit in this particular case unfortunately there were issues in procedure which we have addressed. Likewise, with the anomaly of the fixtures we will be implementing any future player bans in games and not weeks. For various reasons not everyone is playing every week and that allowed for the loophole which was exploited in the said incident.

The other issue was one of Safeguarding and a lack of facilities at a particular ground, as a result, Under 18's were changing outside in public. I find it quite unbelievable that this issue wasn't raised by either Club's or the umpires until the beginning of August. As it's the first, and I hope only time this has happened the proposed new rule will allow the League to take immediate action, which wasn't possible previously.

Despite failing to win the League, congratulations to Wisbech Town for winning the East Anglian League Play-off. However, it still seems unjust that the two other Feeder League Champions failed and a runner-up not only be permitted to take part in the Play-off system, but be given a bye in the first game and the home venue in the second. Their departure from the League sees the end of the last remaining Founder Member, some 44 years.

Foxton Granta won Division 1 which was closely contested, in fact being decided on the final day of the season. One thing was embarrassing, that for the second time in four years a team competed in a Division 1 game with seven players!

As for Division 2, it was pleasing that Blunham led the League for most the season, and were worthy Champions. What made it more pleasing was that twelve years ago they were denied promotion again by the anomaly of the fixtures.

For the first time the League staged a Play-off game between the ninth team in Division 1 and the runners-up in Division 2. as usual with Play-off games the arrangements normally come with issues. This was one of finding a venue suitable for a game in September, as a result the League paid for one of the participants second team to hire Biggleswade's ground, of which I thank them so the Hunts League game was unaffected.

As a result of Wisbech's promotion to the East Anglian Premier League, that game turned out being a waste of time and money, despite losing Southill Park were promoted to Division 1 anyway.

Division 3 was interesting with the League leaders changing regularly throughout the season. Despite Burwell & Exning, who had previously withdrawn from the East Anglian Premier League the previous Winter, made a slow start to their campaign. However, they came through strongly at the end to take the title ahead of Godmanchester Town and long-time leaders, Biggleswade Town. Again because of the movements further up the pyramid I'm happy that Biggleswade were also able to be promoted to Division 2.

The two County Leagues we closely contested. Burghley Park won the Hunts League, but eventually announced they would prefer to switch to the South Lincs and Border League. On that issue, after the fixtures had been prepared, Orton Park informed us they also wished to switch Leagues. As a result, the fine for leaving the League was imposed, but that's not the point as they as all Club's were asked their plans for next season at least three times before the fixtures were arranged. Upwood who finished runners-up were invited to join the League, of which they accepted.

As for the Cambridgeshire Cricket Association, Cambridge NCI won the Senior League and make a return to the League that they were relegated from some ten years ago. Following the decision of Orton Park and positive conversations between the League and the two County Leagues, Histon II who were the runners-up were belatedly asked to join the League of which they accepted almost immediately.

As you can see from all this, in reality no one knows where they'll be playing the following season which was also highlighted by the East Anglian League proposal to have a Second Division. The discussions did not at any stage include any of the three Feeder Leagues, and when asked if they could attend the meeting of the selected Club's arranged at Bury St.Edmunds we were told "they are not welcome"!

No doubt they'll try and resurrect it in some form next season, which as I warned then and still maintain, will decimate the three Feeder Leagues in playing standards. With the total contempt shown by the EAPL the Two Counties Championship are investigating the possibility of forming their own Premier League with their six Club's currently in the EAPL, with two other senior clubs being invited to make up a ten team League.

Finally, I would like to express my sincere thanks to Chris Abbott who after almost twenty-years has stood down as the League and Results Secretary. Steve Kent-Phillips, the Leagues Safeguarding Officer and our Treasurer Paul Jefferson, for his continued help for in securing the sponsorship of Whiting LLP, of which we are grateful.

# Cambridgeshire & Huntingdonshire Grounds Association

The Cambridgeshire & Huntingdonshire Association was initiated to support the counties groundsman, with the aim to support the continued improvement of playing surfaces at all levels of the game.

The association provides a link between the volunteer grounds man, through to the first class arena. It allows likeminded, dedicated individuals access to a wealth of knowledge from their peers, who are working in similar conditions and, more often than not, encountering similar issues.

The Grounds Association provides training at a local level as well as linking to national IOG course running in the county.

They can also offer free professional help and assistance with Pitch Advisors.

Cambridgeshire & Huntingdonshire have two trailers holding specialist equipment that is essential for the preparation of quality cricket squares, Football Pitch Goal Renovation and Bowls Greens. This equipment may not be readily available to your club, and it can be difficult and costly to hire from local dealers.

You have nothing to lose and everything to gain by joining now. The Association also has access to a local supplier where we can get discounted deals to suit you at affordable prices.

So don't struggle on trying to make do with whatever your club has to offer you in the way of equipment; take advantage of the best equipment available and make a difference to your surfaces now. You will soon notice the improvement.

Association membership costs £10 for the year, the benefits of association membership includes invitation to a range of meeting dates, where members enjoy sharing information and ideas, as well as listening to a series of presentations by experts who share their knowledge through talks and demonstrations.

Membership also includes discount fees on IOG/ECB courses as well as locally run training courses. These give Groundsmen new and old the opportunity to increase their knowledge, from the basics to the more advanced aspects of turf management.

Match start times may be varied with the agreement of both clubs and the League Chairman or Secretary, who shall inform both the Umpires involved in the match.

## **The Toss**

11. The Captains or nominated deputies shall toss for the choice of innings on the field of play not earlier than 30 minutes, nor later than 15 minutes, before the scheduled or rescheduled time for the match to start. 18. In the event of time being lost in the second innings, one over shall be deducted for every full 3.5 minutes of time lost.
19. The par score shall be decided by multiplying the average run rate per valid ball of the team batting in the first innings by the number of valid balls received by the team batting in the second innings, ignoring fractions of a run. If the team batting first is bowled out, their full overs allocation applies.
20. A minimum of 20 overs must be played in the second innings to obtain a result. Should there be insufficient overs remaining after a stoppage to play 20 overs in the second innings, the match shall be immediately abandoned.

## **Free Hits**

24. For all deliveries that are called as No-Balls, the Umpire shall award a free hit for the next ball to whichever batsman is facing it. If the delivery for the free hit is not a legitimate delivery, then the next delivery shall become a free hit for whichever batsman is facing it, and so on. For any free hit, the striker can be dismissed only under the circumstances that apply for a no ball, even if the delivery for the free hit is called a wide ball.
25. No field changes are permitted for a free hit delivery unless there is a change of striker or there are safety issues for close fielders, either in front or behind the wicket.

26. The Umpire shall signal a free hit by extending one arm straight upwards and moving it in a circular motion.

### **Fielding Circle**

27. Two semi-circles shall be marked on the field of play with their centres the middle stumps at either end of the pitch and their radii 30 yards. The semi-circles shall be linked by two parallel lines and marked with dots or disks at 5 yard intervals.

### **Fielding Restrictions**

30. At no time shall there be more than five fielders on the leg side, not including the wicket-keeper.
31. During the first Power Play, no more than two fielders are permitted to be outside the fielding circle, not including the bowler and wicket-keeper. During the second, no more than four are permitted, and in the third no more than five.
32. This rule has been deleted.

## **Penalties for contravention**

33. If any fielding restriction is contravened, either Umpire shall immediately call and signal No-Ball.
34. If the Umpires fail to notice the contravention, provided the ball has not come in to play for the next ball or time has not been called; and upon being made aware, the Umpires shall confer. If they agree that the contravention has been missed, a retrospective No-Ball shall be called and the current ball shall be treated as a No-Ball.

## **Bouncers And Beamers**

35. A bouncer is defined as a delivery that pitches and passes, or would have passed, above shoulder height of the striker stood upright at the crease. In addition, any ball that pitches and passes over head height of the striker stood upright at the crease will be called a no-ball as per Law 21.10.
36. A bowler shall be permitted one delivery as described above per over. The Umpire shall indicate to the bowler and to the striker when such a ball has been delivered. Upon any repetition of such a delivery in the same over, the Umpire shall implement Law 41.6.
37. A beamer is defined as a delivery which passes or would have passed on the full above waist height of the striker standing upright at the crease and the Umpire shall call and signal No-Ball for each delivery. If the Umpire deems such a delivery to be dangerous, in the first instance Umpire shall call and signal No-Ball and indicate that this is a warning only. Upon repetition of the offence, the Umpire will implement Law 41.7.

## **Wide Balls**

38. Any delivery, which in the opinion of the Umpire, does not give the batsman a reasonable opportunity to score runs shall be called a wide. A line shall be marked 17 inches inside the return creases between the bowling and popping creases. Any delivery that passes the striker either on or outside this line on the off side or outside the line of the leg stump of the striker shall be called a wide irrespective of the position of the striker.
39. A delivery passing between the legs of the striker and the wicket shall not be called a wide.

## **Declarations**

40. Neither team shall be allowed to declare their innings closed.

## **Over Rates**

41. Fielding sides are expected to have bowled the first ball of their allocated last over within their allocated time period as indicated by Appendix C. For example, in a normal 50 over innings, this will be 3 hours 15 minutes. No extra time allowances shall be made for wickets taken, drying a wet ball, extras bowled, sightscreen movement or drinks intervals. Exceptional circumstances (as decided by the Umpires alone) shall be treated as time lost and shall have either over reductions or the innings end time extended as appropriate.
42. In shortened matches, the calculated time for the innings shall be 3.5 minutes per over, rounded up to the nearest minute, plus 20 minutes as described in Appendix C.
43. The penalty for not having bowled the first ball of the allocated last over in the allocated time is six runs for every over that is short, ignoring part overs. This penalty shall be awarded immediately the allocated time expires, and shall be recorded under "penalty runs".

44. If the above penalty is awarded in the second innings and results in the team batting second achieving their target or exceeding a par score, the match is immediately at an end.

## **Grounds**

45. A Grounds Sub-Committee shall be appointed by the League Management Committee to determine suitability of clubs entering the League from the feeder competitions. It shall comprise of a minimum of three individuals and shall also deal with pitch reports from Umpires. Failure to meet the Ground Criteria (Appendix E) at the start of a season will result in a 50 point deduction, unless a valid reason for dispensation is granted by the Grounds Sub-Committee.
46. All clubs will nominate a home ground before the start of the season. A 50 point deduction will be imposed if the nominated ground is not used for any League match; unless two adverse umpires reports are received for a ground being unfit, when special permission may be granted.
47. All clubs must completely cover the pitch during interruptions. Every reasonable effort must be made to ensure the pitch is fully covered 24 hours prior to the commencement of the match unless permission is given by either the League Chairman or Secretary. Upon failure to do so, and a report being received from the Umpires, the guilty party shall be fined £50 and shall be given a 20 points deduction.
48. A procedure for pitch reporting shall be agreed between the League Management Committee and Umpires Associations.
49. All creases shall be remarked during the tea interval by the home team. Failure to do so shall result in an Umpires report and a fine of £10 for each occasion.

## **Sight Screens**

50. All clubs must have sightscreens at both ends.

51. It is the responsibility of the batting side to move sightscreens. By convention, the fielding side shall assist the first time a sightscreen needs to be moved at each end. After that, not having a sightscreen in place shall not be regarded by the Umpire as a valid reason for a batsman not to be ready to receive a delivery. Umpires shall monitor sightscreen movements closely and award penalty runs as appropriate.

## **Umpires**

52. Umpires shall be appointed by the League to officiate at matches and they shall be empowered to exercise their authority to uphold the Laws of Cricket and these match rules.

In matches using pink balls, the umpires shall wear white kit.

54. Umpires shall optionally mark clubs on the quality of the ground, playing surface and facilities. These forms shall be submitted to the League Secretary whenever deemed necessary.
56. Each team shall be responsible for paying an Umpire's expenses as determined annually at the AGM. One and a half expenses shall be payable (half each) if only one Umpire is present. Half expenses shall be payable if no play is possible. If the Umpires are still present after tea and no play has taken place, the Umpires shall be entitled to full expenses.

57. For the purposes of these rules, “the Umpire” denotes the Umpire at the bowler’s end; “the Umpires” denotes both Umpires acting together.
58. All clubs must have separate Umpire changing facilities.

63. The match is a tie if

the scores are level at the conclusion of an uninterrupted match, or

the team batting second achieves exactly the par score in a reduced innings match,

- regardless of wickets taken.

Tied teams shall be awarded 15 points and no bonus points.

64. If a match is cancelled or abandoned both sides shall be awarded 5 points.

65. Bonus points for a losing team shall be awarded as follows

In addition, bonus points shall be awarded to both teams as above if the first innings is completed and the match is subsequently abandoned; or if the first innings is still in progress three hours after the scheduled start time.

## **League Positions**

66. Positions in the league table shall be determined by total number of points. In the event of two or more teams finishing on equal points, the league shall be determined in the following order: most wins, fewest defeats, highest number of bonus points, results in the two matches between the teams, then runs per wicket scored in those matches. If still level, the League Management Committee shall arbitrate and, if necessary, arrange a play-off match.

A Grand Final between the top Division One teams will take place at the end of the season, and the winner of the Final will be deemed the Champions. These matches will be played in coloured clothing and pink balls.

In all matches the innings will be limited to 20 six-ball overs. The home team will provide a ball to be used. Two balls will be used for the final supplied by the League.

In all matches which commence as 20 over matches no bowler may bowl more than 4 overs in the match.

If needed the match maybe reduced to a minimum of 5 overs a side with the bowlers overs allocation reduction in proportion (So five bowlers must be used).

If 5 overs each side are not completed a bowl out shall take place. If the scores are level, the side losing the fewer wickets will be the winner, if still level, the number of runs scored in the first five overs of the innings will be the winner.

If, through inclement weather, no play is possible a bowl out must take place. A bowl out will consist of five bowlers bowling overarm, two balls in succession, at a full wicket (3 stumps, 2 bails) with no wicket keeper

standing up. These to be bowled alternate. If level after ten deliveries of each side, it will be sudden death, bowled by bowlers other than the first five. If a bowl out is not possible the match must be decided by a toss of a coin. All matches must be completed on the day of the match, other than the semi-final and final which will have a reserve day.

No innings should last more than one-and-a-half hours, if it does, six runs will be added to their opponents score for every full incomplete over.

A fielding circle of two semi-circles shall be marked on the field of play with their centres the middle stumps at either end of the pitch and their radius 30 yards. The semi-circles shall be linked by two parallel straight lines and marked with dots or disks at 5 yard intervals.

Penalties for contravention: If any fielding restriction is contravened, either Umpire shall immediately call and signal No-Ball. If the Umpires fail to notice the contravention, provided the ball has not come in to play for the next ball or time has not been called; and upon being made aware, the Umpires shall confer. If they agree that the contravention has been missed, a retrospective No-Ball shall be called and the current ball shall be treated as a No-Ball.

A minimum of four fielders plus the bowler and wicket keeper must be within that circle for the duration of the innings. If a team is fielding less than eleven players four fielders still applies.

A strict wide ball Law must be implemented.

## **APPENDIX A**

### **DISCIPLINARY REGULATIONS**

#### **1. AIMS AND JURISDICTION**

1.1. The Cambridgeshire and Huntingdonshire Joint Disciplinary Committee (C&HJDC) will deal with all disciplinary matters involving clubs, players and officials competing in

- The Cambridgeshire & Huntingdonshire Premier League
- The Cambridgeshire Cricket Association
- All Cricket under the Cambridgeshire Cricket Board

1.2. To this end, these discipline regulations has been adopted by all the Leagues and Cup Competitions from the Recreational Conduct Regulations.

1.3. The regulations shall be complied with by all those who participate under the jurisdiction of any of the Leagues or Cups Management Committees. The regulations shall apply to any player, at any club, at any level, under the auspices of any of the listed Leagues and Cup Competitions.

1.4. The regulations are intended to provide assistance and uniformity to all clubs in dealing with any alleged breach of the Code of Conduct and The Spirit of Cricket.

1.5. Any club which fails to take all reasonable steps to ensure the proper conduct of its players, officials and/or members in all matters for which the club or its committee is responsible, or acts in any way which is prejudicial or detrimental to the interests or reputation of the League breaches this Code of Conduct.

1.6. There is nothing in this Code preventing or discouraging clubs from applying additional or stronger sanctions against offenders than those appearing within the Code, whether or not they are the subject of a discipline report. To this end, it is important that clubs have their own code of conduct and disciplinary procedures in place.

1.7. For the purposes of these regulations, the expression 'player' shall throughout this document be deemed to mean and include not only any player, whether professional or otherwise, but also any member or official of any club or any other person involved in any incident of alleged misconduct occurring on any part of a cricket ground or building and not merely the field of play.

## **2. CODE OF CONDUCT AND SPIRIT OF CRICKET**

### **2.1. Code of Conduct**

2.1.1. All Competitions as shown in 1.1 are committed to maintaining the highest standards of behaviour and conduct at cricket matches both on and off the field. All clubs and players, by virtue of their registration with their respective League and cup competitions, explicitly agree to abide by this Code of Conduct, which incorporates the Spirit of Cricket, and are bound by the provisions in these Regulations.

2.1.2. The captains are responsible at all times for ensuring that play is conducted within the Spirit of Cricket as well as within the Laws.

2.1.3. Players and club officials must at all times accept the umpire's decision.

Players must not show dissent at the umpire's decision or react in a provocative or disapproving manner towards another player or a spectator.

2.1.4. Players and club officials shall not intimidate assault or attempt to intimidate or assault an umpire, another player, a club official or a spectator.

2.1.5. Players and club officials shall not use crude and/or abusive language (known as "sledging"), nor make offensive gestures or hand signals, nor deliberately distract an opponent.

2.1.6. Players and club officials shall not use language or gestures that offend, insult, humiliate, intimidate, threaten, disparage or vilify another person on the basis of that person's race, religion, sexual orientation, colour, descent or national or ethnic origin.

2.1.7. Players and club officials shall not use or in any way be concerned in the use or distribution of illegal drugs.

2.1.8. Players and club officials shall not make any public or media comment which is detrimental to the League, clubs, umpires or the game in general. In this instance, media shall include press, radio, television, external websites, club websites, social networking sites and club match programmes.

2.1.9. Players and club officials shall not disclose or comment upon any alleged breach of this Code or upon hearing any report or decision arising from such breach.

2.1.10. Clubs must take adequate steps to ensure the good behaviour of their players, officials, members and supporters.

## **2.2. Spirit of Cricket**

Cricket is a game that owes much of its unique appeal to the fact that it should be played not only within its Laws, but also within the Spirit of the Game. Any action which is seen to abuse this spirit causes injury to the game itself. The major responsibility for ensuring the spirit of fair play rests with the captains.

2.2.1. There are two Laws which place the responsibility for the team's conduct firmly on the captain.

2.2.2. The captains are responsible at all times for ensuring that play is conducted within the Spirit of the Game as well as within the Laws.

2.2.3. In the event of any player failing to comply with the instructions of an umpire, criticising his decision by word or action, showing dissent, or generally behaving in a manner which might bring the game into disrepute, the umpire concerned shall in the first place report the matter to the other umpire and to the player's captain, requesting the latter to take action.

2.2.4. Captains and umpires together set the tone for the conduct of a cricket match. Every player is expected to make an important contribution to this.

### **2.3. Fair and Unfair Play**

2.3.1. According to the Laws the umpires are the sole judges of fair and unfair play.

2.3.2. The umpires will intervene at any time, and it is the responsibility of the captain to take action where required.

### **2.4. The umpires are authorised to intervene in cases of:**

2.4.1. Time wasting.

2.4.2. Damaging the pitch.

2.4.3. Dangerous or unfair bowling.

2.4.4. Tampering with the ball.

2.4.5. Any other action that they consider to be unfair.

### **2.5. The Spirit of the Game involves RESPECT for:**

2.5.1. Your opponents.

2.5.2. Your own captain and team.

2.5.3. The role of the umpires.

2.5.4. The game's traditional values.

## **2.6. It is against the Spirit of the Game:**

2.6.1. To dispute an umpire's decision by word, action or gesture.

2.6.2. To direct abusive language towards an opponent or umpire.

2.6.3. To indulge in cheating or any sharp practice.

2.6.4. To appeal knowing the batsman is not out.

2.6.5. To advance towards an umpire in an aggressive manner when appealing.

2.6.6. To seek to distract an opponent either verbally or by harassment with persistent clapping or unnecessary noise under the guise of enthusiasm and motivation of one's own side.

## **2.7. Violence**

There is no place for any act of violence on the field of play.

## **2.8 Equality**

Please refer to the Recreational Conduct Regulations found on the CCA website [www.CambsCa.co.uk](http://www.CambsCa.co.uk) under "Premier".

## **3. BREACHES**

3.1. A breach of the disciplinary regulations occurs when

3.1.1. Any player who offends against the Code of Conduct or acts at any time to prejudice the good name of interests of the Leagues.

3.1.2. Any club fails to properly control or discipline its players or acts in a manner prejudicial to the good name or interests of the Leagues.

3.2. Any player or club committing such a breach shall be liable to penalties in the manner prescribed in this document.

3.3. A breach of the Code of Conduct will normally be categorised as Level One, Two, Three or Four as set out in section 9.

## **4. PROCEDURE**

### **4.1. Reporting of Breaches.**

4.1.1. For a first offence of a Level One severity in a match, the umpire(s) should warn the player as to his future conduct and advise him and his captain that any repetition in the match will result in a formal report.

4.1.2. If any player receiving such a warning then commits a further offence in the match, the umpire(s) will advise him and his captain that they will be submitting a formal report.

4.1.3. Should the umpire(s) consider that the first offence is sufficiently serious, they have the authority to decide to submit a formal report without having previously issued any warning. The player and his captain will be advised accordingly.

4.1.4. Notification that a report is to be submitted following any alleged breaches must first be advised by the umpire(s) to the player and his captain or the executive of the player's club on the day of the alleged offence prior to leaving the ground. Where no appointed Umpire is present, the complaint may be lodged by a club.

4.1.5 All reports and complaints must be received by the relevant League Secretary within 72 hours of the alleged incident.

4.1.6 All reports and complaints may be made via letter or preferably email in plain text. Umpire(s) are free to use the official ECB report forms if they wish.

#### 4.2. On receipt of a report or complaint

4.2.1. The relevant League Secretary will act as Disciplinary Secretary for that case and will ask the Club if they wish to take action in the first instance.

4.2.2. If the Club refuses to take action, or such action is thought insufficient the League Secretary will write to club within seven days of receipt of the letter.

4.2.3. If the Panel decide that the action taken is sufficient, a letter to that effect will be sent to the relevant club within 72 hours of the decision and no further action will be taken. However, the Panel may decide to refer the report to a full Panel Hearing.

4.2.4. The Panel will automatically hear offences deemed to be above Level Two..

In all reported offences, the club will be instructed to take action. Failure of the club to take appropriate action will result in a Disciplinary Hearing, when the ban will be increased to whatever the Disciplinary Committee deem suitable. More serious offences will result in an automatic Disciplinary Hearing.

4.3. Suspensions imposed shall be advised in writing to the relevant club's County Board. Match bans will apply to all cricket played under the auspices of ECB.

4.4. In the case of an incident involving a player under the age of 18 years old, the County Board Welfare Officer will immediately be informed. In such circumstances, the incident will be regarded as a welfare and child protection case. If the incident is being investigated by another organisation the Panel will await the outcome of that investigation before taking any further action.

## **5. DISCIPLINARY HEARINGS**

5.1. If a hearing is required, then the relevant League Secretary will be responsible for arranging the hearing.

### **5.2. Format of the Disciplinary Committee**

5.2.1. Each League shall nominate 3 people to sit on the Disciplinary Committee at the commencement of each season. No other persons will sit on the commission apart from these appointed people in that season. The nominated persons shall not be the League Chairmen nor their deputies.

5.2.2. The nominated person will act as the Chairman for their League's hearings on a case-by-case basis.

5.2.3. A member from two other Leagues would also be in attendance. An Umpires' representative will be present at all hearings, with full voting rights. Where it is deemed necessary, the relevant League Child Welfare Officer will be present but have no voting rights. The relevant League Secretary would act as the Panel Secretary but have no voting rights.

5.2.4. No member of the Panel should be connected with the player, the club or their opponents at the time of the alleged breach, or a club which might directly benefit from any disciplinary action.

### **5.3. Dates of Hearings**

The Panel will convene monthly during the season on the last Wednesday of the month if required. Appeals will be heard on an ad-hoc basis, but may be heard on the same night as a Panel meeting if appropriate.

5.4. The accused player or club shall be entitled:

5.4.1. To submit written statements ahead of the hearing.

5.4.2. To attend the hearing.

5.4.3. To state his case (in the case of a club, by a club official).

5.4.4. To be supported by a colleague and to call witnesses.

5.4.5. To have legal representation. If the player or club is to have representation present at the hearing then the details of that representation must be given to the Panel Secretary not less than 48 hours before the date of the hearing. A club or player involved in disciplinary proceedings will be solely responsible for meeting such costs or expenses as it or they may incur, including the cost of any legal or other representation.

5.5. The standard of proof shall be on the balance of probabilities rather than the criminal standard of beyond reasonable doubt.

5.6. Decisions of the panel shall be by simple majority vote. Where necessary the Disciplinary Panel Chairman will use an extra casting vote.

## **6. APPEALS**

6.1. A notice of appeal setting out the grounds must be given in writing to the hearing Secretary within seven days of the decision of the Disciplinary Panel, together with a deposit of £50 if the appeal is by a player or £150 if the appeal is by a club.

6.2. If a notice of appeal is given, the penalty shall not take effect pending the hearing of the appeal, which shall take place as soon as is practicable and in any event within 14 days of receipt of notice of the appeal.

6.3. The player or club shall have the same entitlements as set out for the original hearing.

6.4. The relevant League Chairman or his nominated deputy will act as the Appeal Chairman on a case-by-case basis.

6.5. The Appeal Panel members will be constituted in the same manner as the original Hearing Panel. None of the original Hearing Panel members bar the Panel Secretary and the League Child Welfare Officer (if required) will sit on an appeal panel.

6.6. The only grounds for appeal will be

6.6.1. Mistaken identity.

6.6.2. Mistakes in procedure.

6.6.3. Production of new evidence.

6.6.4. Mitigating circumstances.

6.7. The appeal shall take the format of a complete re-hearing, taking regard to any extra evidence produced.

6.8. The appeal panel may

6.8.1. Dismiss the appeal for invalid grounds.

6.8.2. Waive or increase any penalties imposed by the original hearing.

6.9. Non-attendance at a hearing of the Appeals Panel by the club or person that submitted the appeal without good and valid reason for such non-attendance will automatically result in forfeiture of their right of appeal.

6.10. The decision arrived at by an appeal panel, or if no appeal is lodged within the proscribed time limit, of the hearing panel shall be final and binding on all parties.

6.11. Any decisions will be conveyed to the clubs and umpire(s) involved within seven days of the hearing date.

6.12. Decisions of the panel shall be by simple majority vote. Where necessary the Disciplinary Panel Chairman will use an extra casting vote.

## **7. PENALTIES**

7.1. The following penalties should be expected to be imposed for any report or complaint found proven at a disciplinary hearing. The levels are as listed in section 9.

Repeat offences are within 24 months. Bans are for matches in the same competition that the offence occurred.

	First Offence	Second	Third
7.1.1. Level One	1 match ban	2 match ban	3 match ban
7.1.2. Level Two	2 match ban	4 match ban	12 match ban
7.1.3. Level Three	6 match ban	12 match ban	24 match ban
7.1.4. Level Four	10 match ban	20 match ban	40 match ban

7.1.5. More severe penalties will be incurred for repeat offences and offences involving Captains.

7.2. Where applicable, penalties will be carried over to apply in the following season.

7.3. Additional penalties

7.3.1. To record a reprimand and to give a warning as to future conduct to a player and/or a club.

7.3.2. To impose a fine and/or hearing and/or appeal costs.

7.3.3. To deduct League points from a club. If required, this may be at the start of the following season.

7.3.4. To expel the player or club from the League or Cup competition for any period of time.

7.3.5. To relegate a club one or more divisions.

7.4. Panels will take the following factors into account when determining the penalties to be imposed

7.4.1. If the accused player or club has pleaded guilty.

7.4.2. The player or club's previous disciplinary record.

7.4.3. If the player is also the captain.

7.4.4. The conduct of the player subsequent to him being warned and/or told that he will be reported

7.4.5. If an appeal is considered to be frivolous.

7.5. In addition, where an individual or their representative and/or witnesses behave inappropriately or fail to respect the formality of any hearing, the panel has the right to impose further penalties as it sees fit.

7.6. The panel shall have the power to suspend the operation of any part, or all, of any penalty it imposes for such period and subject to such terms and conditions it deems appropriate.

## **8. NON PAYMENT OF FINES**

8.1. Any fine levied under these procedures or imposed for the breach of any match rule must be paid to the Treasurer of the League within 14 days of the Club being notified of such fine.

8.2. Any fines still outstanding at the end of that period shall be increased by 100% of the original fine, whence the Secretary or Chairman of the offending Club shall be notified to the effect that the fine is outstanding. They will be given a reminder that if after a period of fourteen days from that reminder, the fine is still outstanding, a deduction of five points shall be made from the points gained by the side that received the fine or in respect of a player or Club fine the player or the Club will be suspended until such time as the fines are paid.

8.3. In respect of other payments owed these shall be treated as if they were a fine, except that points shall not be deducted. Such payment shall continue to increase by 100% for each further twenty-eight day period that the payment remains outstanding.

## 9. BREACHES OF DISCIPLINE

- (a) wilfully mistreating any part of the cricket ground or any equipment or implements used in the match;

## **APPENDIX D**

### **QUALIFICATION OF CRICKETERS NOT ORDINARILY RESIDENT**

No team shall field more than one Category 3 player.

A Category 3 player is one not deemed 'Ordinarily Resident'.

Any overseas player who is on a cricket pathway or considered to be a professional sportsperson under Home Office rules will be deemed a Category 3.

Any overseas player who has a Tier 5 [Creative and Sporting] visa will be deemed a Category 3.

There are various visa types, listed below. To be deemed a Category 1, the following criteria must be met, otherwise a Category 3 will be assumed:

Working: must have been here prior to October 1 in the year prior to the request for registration.

Tier 4 [Student]: must be attending a school or has been accepted for a place on course at a College or University of more than 12 months.

Tier 5 [Youth Mobility]: must be under 21.

Non-Visa National: no extra criteria.

Clubs must ensure all the relevant regulations are complied with and, if they are not, any players such played will be deemed ineligible for registration. Registration is via play-cricket.

Clubs registering a player on a Tier 5 [Creative and Sporting Visa] must, when registering the player on play-cricket, send the League Registration Officer by email a copy of the player's passport and visa that allows him/her to play cricket/work in the United Kingdom.

For all other players not deemed 'Ordinarily Resident', clubs must forward a copy signed by the player of the following declaration when registering a player on play-cricket.

"I confirm that I have been resident in England and Wales for the past 18 months and, during that period, I have not been outside England and Wales for longer than 35 days consecutively or 70 days in total during the previous 24 months. I also confirm that any payment I receive for playing cricket is not my main source of income. I understand that the punishment for making a false declaration in this regard will be severe and will, most likely, result in a lengthy ban which will apply to forms of recreational cricket in England and Wales."

The declaration must be submitted to the League Registration Officer by email with a copy of the player's passport or a copy of the visa that allows him/her to remain in the United Kingdom.

An unqualified or overseas amateur player who is transferred to the UK for education or work purposes prior to April 1st in the year of his request for registration will be given Cat 1 status.

In the event of a player making a false declaration, the Club will also be liable to disciplinary action if it has failed to carry out all reasonable checks on the player's documentary evidence. Clubs will therefore be expected to keep a record of such checks.

If a player who has been granted qualified status due to personal reasons has to leave England and Wales for longer than the permitted period, or a player who has a home in England and Wales, the Channel Islands or the Isle of Man and has been granted 'exempt' status and subsequently accepts a temporary work assignment unconnected to cricket in another country, then the Club may apply to reinstate his/her 'exempt' status immediately on his/her return. Approval is at the discretion of the League and may not be automatic.
