Match start times may be varied with the agreement of both clubs and the League Chairman or Secretary, who shall inform both the Umpires involved in the match.

The Toss

11. The Captains or nominated deputies shall toss for the choice of innings on the field of play not earlier than 30 minutes, nor later than 15 minutes, before the scheduled or rescheduled time for the match to start. In the event of a Captain or nominated deputy not being available to toss during the stipulated time period, the opposing team shall be awarded the toss for choice of innings.

Match Duration

12. Divisions One and Two matches shall be 50 overs per side unless reduced by the Umpires. Division Three matches shall be 45 overs per side unless reduced by the Umpires. Any overs unused by the team batting first shall be disregarded.

Teas

13. The tea interval shall be 30 minutes in duration and shall normally be taken between innings. The Umpires are empowered to change the timing and length of the tea interval, or to forgo the tea interval altogether, depending upon match circumstances.
14. Teas are optional and those supplying them will be listed in this handbook. If the opposition require them they must inform the home Club by midnight on the Monday prior to the match.

Ground, Weather and Light

15. The Captains may agree to reduce the available overs in a match at any time before play commences; subject to a minimum of twenty overs per side and the limitations as set out in Appendix C. In Division one, Duckworth Lewis Stern (DLS) will be implemented subject to scorers having access to laptop, otherwise the following rain rules will apply. The following rain rules apply to Divisions Two and Three.
16. In all cases of time lost, the first 30 minutes of the delay or interruption shall be disregarded. This time is to be cumulative. If less than 30 minutes have been lost in total, no overs are deducted, but the end times of both innings are extended pro-rata accordingly.
17. In the event of a delayed start or a delay in the first innings, for every interruption one over shall be deducted from both sides for every full seven minutes of time lost.
18. In the event of time being lost in the second innings, one over shall be deducted for every full 3.5 minutes of time lost.
19. The par score shall be decided by multiplying the average run rate per valid ball of the team batting in the first innings by the number of valid balls received by the team batting in the second innings, ignoring fractions of a run. If the team batting first is bowled out, their full overs allocation applies.
20. A minimum of 20 overs must be played in the second innings to obtain a result. Should there be insufficient overs remaining after a stoppage to play 20 overs in the second innings, the match shall be immediately abandoned.

Match Balls

21. For all matches, two new balls shall be made available as approved by the League Management Committee. Each team shall provide one ball for each innings. The Umpires shall report any club failing to provide an official match ball. A fine of £25 shall be imposed for each offence and reimbursement shall be made to the club providing a new ball where the other team fails to supply one.
22. Match spare balls must be of the League standard and shall be supplied by the home team.

Bowling Restrictions

23. No bowler shall be allowed to bowl more than 1/5 of the overs available in an innings, rounded up to the nearest full over as described in Appendix C. If the bowling allocation is reduced, any overs already bowled surplus to the amended allowance shall stand. An over in progress at the start of an interruption shall be completed by the same bowler after the interruption regardless of this rule.

Free Hits

24. For all deliveries that are called as No-Balls, the Umpire shall award a free hit for the next ball to whichever batsman is facing it. If the delivery for the free hit is not a legitimate delivery, then the next delivery shall become a free hit for whichever batsman is facing it, and so on. For any free hit, the striker can be dismissed only under the circumstances that apply for a no ball, even if the delivery for the free hit is called a wide ball.
25. No field changes are permitted for a free hit delivery unless there is a change of striker or there are safety issues for close fielders, either in front or behind the wicket.

26. The Umpire shall signal a free hit by extending one arm straight upwards and moving it in a circular motion.

Fielding Circle

27. Two semi-circles shall be marked on the field of play with their centres the middle stumps at either end of the pitch and their radii 30 yards. The semi-circles shall be linked by two parallel lines and marked with dots or disks at 5 yard intervals.

Power Plays

28. The Power Plays shall consist of three blocks of overs described as Power Plays One, Two and Three in Appendix C; commencing with 10-30-10 overs in Divisions One and Two and 9-27-9 overs in Division Three in an uninterrupted match.
29. In a reduced overs innings, the Power Plays shall be adjusted as described in Appendix C. If an interruption occurs during a Power Play and causes the Power Play overs to be reduced, the Power Play is recommenced immediately upon resumption of play. If an interruption occurs during a Power Play that would cause the Power Play to end, the Power Play is ended immediately upon resumption of play and shall not apply to any remaining balls in that over.

Fielding Restrictions

30. At no time shall there be more than five fielders on the leg side, not including the wicket-keeper.
31. During the first Power Play, no more than two fielders are permitted to be outside the fielding circle, not including the bowler and wicket-keeper. During the second, no more than four are permitted, and in the third no more than five.
32. This rule has been deleted.

Penalties for contravention

33. If any fielding restriction is contravened, either Umpire shall immediately call and signal No-Ball.
34. If the Umpires fail to notice the contravention, provided the ball has not come in to play for the next ball or time has not been called; and upon being made aware, the Umpires shall confer. If they agree that the contravention has been missed, a retrospective No-Ball shall be called and the current ball shall be treated as a No-Ball.

Bouncers And Beamers

35. A bouncer is defined as a delivery that pitches and passes, or would have passed, above shoulder height of the striker stood upright at the crease. In addition, any ball that pitches and passes over head height of the striker stood upright at the crease will be called a no-ball as per Law 21.10.
36. A bowler shall be permitted one delivery as described above per over. The Umpire shall indicate to the bowler and to the striker when such a ball has been delivered. Upon any repetition of such a delivery in the same over, the Umpire shall implement Law 41.6.
37. A beamer is defined as a delivery which passes or would have passed on the full above waist height of the striker standing upright at the crease and the Umpire shall call and signal No-Ball for each delivery. If the Umpire deems such a delivery to be dangerous, in the first instance Umpire shall call and signal No-Ball and indicate that this is a warning only. Upon repetition of the offence, the Umpire will implement Law 41.7.

Wide Balls

38. Any delivery, which in the opinion of the Umpire, does not give the batsman a reasonable opportunity to score runs shall be called a wide. A line shall be marked 17 inches inside the return creases between the bowling and popping creases. Any delivery that passes the striker either on or outside this line on the off side or outside the line of the leg stump of the striker shall be called a wide irrespective of the position of the striker.
39. A delivery passing between the legs of the striker and the wicket shall not be called a wide.

Declarations

40. Neither team shall be allowed to declare their innings closed.

Over Rates

41. Fielding sides are expected to have bowled the first ball of their allocated last over within their allocated time period as indicated by Appendix C. For example, in a normal 50 over innings, this will be 3 hours 15 minutes. No extra time allowances shall be made for wickets taken, drying a wet ball, extras bowled, sight screen movement or drinks intervals. Exceptional circumstances (as decided by the Umpires alone) shall be treated as time lost and shall have either over reductions or the innings end time extended as appropriate.
42. In shortened matches, the calculated time for the innings shall be 3.5 minutes per over, rounded up to the nearest minute, plus 20 minutes as described in Appendix C.
43. The penalty for not having bowled the first ball of the allocated last over in the allocated time is six runs for every over that is short, ignoring part overs. This penalty shall be awarded immediately the allocated time expires, and shall be recorded under "penalty runs".

44. If the above penalty is awarded in the second innings and results in the team batting second achieving their target or exceeding a par score, the match is immediately at an end.

Grounds

45. A Grounds Sub-Committee shall be appointed by the League Management Committee to determine suitability of clubs entering the League from the feeder competitions. It shall comprise of a minimum of three individuals and shall also deal with pitch reports from Umpires. Failure to meet the Ground Criteria at the start of a season will result in a 50 point deduction, unless a valid reason for dispensation is granted by the Grounds Sub-Committee.
46. All clubs will nominate a home ground before the start of the season. A 50 point deduction will be imposed if the nominated ground is not used for any League match; unless two adverse umpires reports are received for a ground being unfit, when special permission may be granted.
47. All clubs must completely cover the pitch during interruptions. Every reasonable effort must be made to ensure the pitch is fully covered 24 hours prior to the commencement of the match unless permission is given by either the League Chairman or Secretary. Upon failure to do so, and a report being received from the Umpires, the guilty party shall be fined £50 and shall be given a 20 points deduction.
48. A procedure for pitch reporting shall be agreed between the League Management Committee and Umpires Associations.
49. All creases shall be remarked during the tea interval by the home team. Failure to do so shall result in an Umpires report and a fine of £10 for each occasion.

Sight Screens

50. All clubs must have sightscreens at both ends.

51. It is the responsibility of the batting side to move sightscreens. By convention, the fielding side shall assist the first time a sightscreen needs to be moved at each end. After that, not having a sightscreen in place shall not be regarded by the Umpire as a valid reason for a batsman not to be ready to receive a delivery. Umpires shall monitor sightscreen movements closely and award penalty runs as appropriate.

Umpires

52. Umpires shall be appointed by the League to officiate at matches and they shall be empowered to exercise their authority to uphold the Laws of Cricket and these match rules.

In matches using pink balls, the umpires shall wear white kit.

53. No match shall be cancelled without the agreement of a member of the League Umpires Panel. A fee of £10 is payable to an Umpire requested to assess the condition of the ground.
54. The Umpires shall take control of the ground 30 minutes before the scheduled start of play and shall be the sole judges of ground, weather and light conditions thereafter.
54. Umpires shall optionally mark clubs on the quality of the ground, playing surface and facilities. These forms shall be submitted to the League Secretary whenever deemed necessary.
56. Each team shall be responsible for paying an Umpire's expenses of £40 before the start of the match. £60 shall be payable (£30 each side) if only one Umpire is present. If no play is possible Umpires shall be entitled to half expenses. If the Umpires are still present at 3.45pm (3.15pm in Division One or September) and no play has taken place, the Umpires shall be entitled to full expenses.

57. For the purposes of these rules, “the Umpire” denotes the Umpire at the bowler’s end; “the Umpires” denotes both Umpires acting together.
58. All clubs must have separate Umpire changing facilities.
59. All Captains, Vice Captains, Umpires and Scorers must have valid DBS certificates.
60. Apart from the rules stated here, the Umpires shall apply the Laws of Cricket.

Scorers

61. In Divisions One and Two, each team must provide a non playing competent Scorer. If one is not present, the opposing Scorer shall receive £20 from the offending club. In Division Three, the home club must provide a non-playing competent Scorer. Persistent offenders in all divisions will be liable to further penalties. In all three divisions, if a team has no scorer, then one of the team **MUST** score while their side is batting.

Points

62. A team shall win if

it scores the most runs in an uninterrupted match, or

it exceeds the par score in a reduced match, or

the opposition does not achieve at least the par score in a reduced match.

Winning teams shall be awarded 25 points plus a 5 points if they bowl out the opposition.

63. The match is a tie if

the scores are level at the conclusion of an uninterrupted match, or

the team batting second achieves exactly the par score in a reduced innings match,

- regardless of wickets taken.

Tied teams shall be awarded 18 points and no bonus points.

64. If a match is cancelled or abandoned both sides shall be awarded 7 points.

65. Bonus points for a losing team shall be awarded as follows

125 runs scored	1 point	2 wickets taken	2 points
150 runs scored	2 points	4 wickets taken	4 points
175 runs scored	3 points	6 wickets taken	6 points
200 runs scored	4 points	8 wickets taken	8 points
225 runs scored	5 points	10 wickets taken	10 points

Any batting points shall be doubled for a team batting first.

In addition, bonus points shall be awarded to both teams as above if the first innings is completed and the match is subsequently abandoned; or if the first innings is still in progress three hours after the scheduled start time.

League Positions

66. Positions in the league table shall be determined by total number of points. In the event of two or more teams finishing on equal points, the league shall be determined in the following order: most 30 point wins, most 25 point wins, fewest defeats, highest number of bonus points, results in the two matches between the teams, then runs per wicket scored in those matches. If still level, the League Management Committee shall arbitrate and, if necessary, arrange a play-off match.

A Grand Final between the top four Division One teams will take place at the end of the season, and the winner of the Final will be deemed the League Champions. These matches will be played in coloured clothing and pink balls.

Failure to Fulfil Fixtures

67. In the event of a member club failing to fulfil a fixture for any reason other than inclement weather, they shall be deducted 50 points and fined £100. The team available to play shall be awarded 25 points. No fixtures will be rearranged due to inclement weather.
68. All matches are to be played on the date set by the Fixture Secretary. The higher teams in the club must always take priority on all occasions. Seven players must be present and able to take the field for the match to take place. No fixtures will be rearranged after 28 February of each season.

Match Result Reporting

69. All home clubs must report the full scores of a match or report the match was abandoned or cancelled to the League Secretary on 07760 222487 by 10 pm on the evening of the match. Failure to do so shall result in a fine of £20 per occasion.

70. Prior to the start of the match both Captains shall complete a card detailing the players representing their team and give them to the Umpires. The result and points gained shall be entered after the match, and then the Umpires shall sign the completed result card.
71. All score sheets must be entered on play-cricket.com by the home team within 48 hours of the match. Failure to do so shall result in a £20 fine.

ECB Directives

72. All ECB directives shall apply, and are to be strictly enforced by the Umpires.

Code of Conduct

73. A Code of Conduct shall be applied regarding player behaviour and breaches shall be progressed in accordance with the League's adopted procedures.
74. In addition to the disciplinary procedures described, any disciplinary offences deemed to be Levels Three and Four of Laws 42.4 and 42.5 shall not be implemented. They shall be treated as Level Two offences under Law 42.3 and shall be progressed in accordance with the League's adopted procedures.

Promotion and Relegation

75. The team finishing first in Division One shall, subject to rules and criteria laid down by the East Anglian Premier Cricket League, be eligible to participate in the competition for a place in that League. Should the winning team decline to participate or fail to meet the criteria, the team coming second will be similarly eligible.

76. The League shall adopt an active promotion and relegation policy. The exact numbers of teams promoted and relegated in each division each season will vary. The general principle will be two up, two down across the divisions and the bottom two teams in Division Three being relegated to their relevant feeder leagues. The League will arrange Division One Grand Finals and positional play-offs as it sees fit each season.
77. The League shall invite the winners of the top divisions of the two feeder leagues into the competition for the following season provided they wish to participate and meet the league criteria. Should the winning team decline to participate or fail to meet the criteria, the team coming second will be similarly eligible.
78. The League Management Committee are empowered to determine the promotion or relegation strategy in each individual season. The League will arrange promotion & relegation play-offs as it sees fit.
79. Any club can choose to be relegated, up to the League AGM. Subsequent requests will be refused. Any such requests for relegation will result in that club being denied the opportunity of promotion the following season; including rejoining the League if applicable.
80. If a club chooses to leave the league, they will be subject to a £200 fine and that club will be denied promotion back into the league for three years.

Other Actions

81. In case of failure to comply with any of the above rules, or in any other exceptional circumstances, the League Management Committee shall have the authority to take such action as necessary in the best interests of the League.

1.6. There is nothing in this Code preventing or discouraging clubs from applying additional or stronger sanctions against offenders than those appearing within the Code, whether or not they are the subject of a discipline report. To this end, it is important that clubs have their own code of conduct and disciplinary procedures in place.

1.7. For the purposes of these regulations, the expression 'player' shall throughout this document be deemed to mean and include not only any player, whether professional or otherwise, but also any member or official of any club or any other person involved in any incident of alleged misconduct occurring on any part of a cricket ground or building and not merely the field of play.

Any action which is seen to abuse this spirit causes injury to the game itself. The major responsibility for ensuring the spirit of fair play rests with the captains.

4. PROCEDURE

4.1. Reporting of Breaches.

4.1.1. For a first offence of a Level One severity in a match, the umpire(s) should warn the player as to his future conduct and advise him and his captain that any repetition in the match will result in a formal report.

4.1.2. If any player receiving such a warning then commits a further offence in the match, the umpire(s) will advise him and his captain that they will be submitting a formal report.

4.1.3. Should the umpire(s) consider that the first offence is sufficiently serious, they have the authority to decide to submit a formal report without having previously issued any warning. The player and his captain will be advised accordingly.

4.1.4. Notification that a report is to be submitted following any alleged breaches must first be advised by the umpire(s) to the player and his captain or the executive of the player's club on the day of the alleged offence prior to leaving the ground. Where no appointed Umpire is present, the complaint may be lodged by a club.

4.1.5 All reports and complaints must be received by the relevant League Secretary within 72 hours of the alleged incident.

4.2.4. If the Panel decide that the action taken is sufficient, a letter to that effect will be sent to the relevant club within 72 hours of the decision and no further action will be taken. However, the Panel may decide to refer the report to a full Panel Hearing.

4.2.5. The Panel will automatically hear offences deemed to be above Level One.

All Level One offences will be recorded. Two Level One offences in a season will result in a two match ban. In all Level Two offences, the club will be instructed to take action, and the player banned for two matches. Failure of the club to take appropriate action will result in a Disciplinary Hearing, when the ban will be increased to whatever the Disciplinary Committee deem suitable. More serious offences will result in an automatic Disciplinary Hearing.

4.3. Suspensions imposed shall be advised in writing to the relevant club's County Board. Match bans will apply to all cricket played under the auspices of ECB.

4.4. In the case of an incident involving a player under the age of 18 years old, the County Board Welfare Officer will immediately be informed. In such circumstances, the incident will be regarded as a welfare and child protection case. If the incident is being investigated by another organisation the Panel will await the outcome of that investigation before taking any further action.

5. DISCIPLINARY HEARINGS

5.1. If a hearing is required, then the relevant League Secretary will be responsible for arranging the hearing.

5.2. Format of the Disciplinary Committee

APPENDIX D

QUALIFICATION OF CRICKETERS NOT ORDINARILY RESIDENT

No team shall field more than one Category 3 player.

A Category 3 player is one not deemed 'Ordinarily Resident'.

Any overseas player who is on a cricket pathway or considered to be a professional sports person under Home Office rules will be deemed a Category 3.

Any overseas player who has a Tier 5 [Creative and Sporting] visa will be deemed a Category 3.

There are various visa types, listed below. To be deemed a Category 1, the following criteria must be met, otherwise a Category 3 will be assumed:

Working: must have been here prior to October 1 in the year prior to the request for registration.

Tier 4 [Student]: must be attending a school or has been accepted for a place on course at a College or University of more than 12 months.

Visitor: no extra criteria.

Ancestry no extra criteria.

Tier 5 [Youth Mobility]: must be under 21.

Non-Visa National: no extra criteria.

Clubs must ensure all the relevant regulations are complied with and, if they are not, any players such played will be deemed ineligible for registration. Registration is via play-cricket.

Clubs registering a player on a Tier 5 [Creative and Sporting Visa] must, when registering the player on play-cricket, send the League Registration Officer by email a copy of the player's passport and visa that allows him/her to play cricket/work in the United Kingdom.

For all other players not deemed 'Ordinarily Resident', clubs must forward a copy signed by the player of the following declaration when registering a player on play-cricket.

"I confirm that I have been resident in England and Wales for the past 18 months and, during that period, I have not been outside England and Wales for longer than 35 days consecutively or 70 days in total during the previous 24 months. I also confirm that any payment I receive for playing cricket is not my main source of income. I understand that the punishment for making a false declaration in this regard will be severe and will, most likely, result in a lengthy ban which will apply to forms of recreational cricket in England and Wales."

The declaration must be submitted to the League Registration Officer by email with a copy of the player's passport or a copy of the visa that allows him/her to remain in the United Kingdom.

An unqualified or overseas amateur player who is transferred to the UK for education or work purposes prior to April 1st in the year of his request for registration will be given Cat 1 status.

In the event of a player making a false declaration, the Club will also be liable to disciplinary action if it has failed to carry out all reasonable checks on the player's documentary evidence. Clubs will therefore be expected to keep a record of such checks.

If a player who has been granted qualified status due to personal reasons has to leave England and Wales for longer than the permitted period, or a player who has a home in England and Wales, the Channel Islands or the Isle of Man and has been granted 'exempt' status and subsequently accepts a temporary work assignment unconnected to cricket in another country, then the Club may apply to reinstate his/her 'exempt' status immediately on his/her return. Approval is at the discretion of the League and may not be automatic.
