CHAIRMAN'S REPORT 2024

Another relatively trouble-free season was completed for which we thank you, the Clubs. Firstly, a special mention to Foxton Granta for winning the National Village Competition at Lord's in September, an amazing achievement after being beaten finalist eight years ago.

Ramsey were worthy winners of Division 1 but unfortunately, were unsuccessful in EAPL end of season Play-offs. Likewise, congratulations to both Castor & Ailsworth and Waresley for winning Divisions 2 and 3 respectively. However, commiserations must be given to both Upwood and Foxton Granta II who were denied promotion because of Saffron Walden being relegated from the EAPL. This again highlights an issue we all feel, at present the bottom team in the EAPL partake in the end of season Play-offs, when they should be relegated automatically and the 11th team invited to participate in the Play-offs. As usual there are always teams that suffer by being part of the pyramid, however fortunately this year, running Division 3 with nine teams prevented other teams being effected by a relegation they didn't deserve.

After what will be two years, Division 1 is reverting back to ten teams at the end of next season which again will result in some teams being relegated who don't deserve to be. Also, from Division 3 four teams will be relegated to their respective County Leagues. This chopping and changing cannot continue as it has a serious effect throughout our pyramid. However, we could reintroduce the T20 competition in 2026 for those who wish to play additional matches at the start of the season.

We welcome LGR and City of Ely, the latter returning to the League after a 15-year absence, from their respective County Leagues.

At the two End of Season Meetings it was reiterated that the League facilitates what the majority of Clubs wish to play in regards to formats. Now all three divisions are playing matches with both red and pink balls.

As always, the aim of the Committee is to keep the cost of playing in the League to a bare minimum, but with an affiliation payment of just £50 we urge Clubs to make that payment promptly. Unlike other leagues no fines were issued again last season, and when a Club does transgress a quiet word always suffices, thank you.

Finally, I would like to thank Michael Cafferkey for agreeing the sponsorship of the League in full this season, unlike the two previous years where the sponsor reduced their contribution without warning, which is a big factor in keeping the costs to you down. Also, thanks to Paul Jefferson, Tim Steele and Steve Kent-Phillips and the representatives of each Club that form the Management Committee.

Keith Coburn
League Chairman

Cambridgeshire & Huntingdonshire Grounds Association

The Cambridgeshire & Huntingdonshire Association was initiated to support the counties groundsman, with the aim to support the continued improvement of playing surfaces at all levels of the game.

The association provides a link between the volunteer grounds man, through to the first class arena. It allows likeminded, dedicated individuals access to a wealth of knowledge from their peers, who are working in similar conditions and, more often than not, encountering similar issues.

The Grounds Association provides training at a local level as well as linking to national IOG course running in the county.

They can also offer free professional help and assistance with Pitch Advisors.

Cambridgeshire & Huntingdonshire have two trailers holding specialist equipment that is essential for the preparation of quality cricket squares, Football Pitch Goal Renovation and Bowls Greens. This equipment may not be readily available to your club, and it can be difficult and costly to hire from local dealers.

You have nothing to lose and everything to gain by joining now. The Association also has access to a local supplier where we can get discounted deals to suit you at affordable prices.

So don't struggle on trying to make do with whatever your club has to offer you in the way of equipment; take advantage of the best equipment available and make a difference to your surfaces now. You will soon notice the improvement.

Association membership costs £10 for the year, the benefits of association membership includes invitation to a range of meeting dates, where members enjoy sharing information and ideas, as well as listening to a series of presentations by experts who share their knowledge through talks and demonstrations.

Membership also includes discount fees on IOG/ECB courses as well as locally run training courses. These give Groundsmen new and old the opportunity to increase their knowledge, from the basics to the more advanced aspects of turf management.

12. Match durations may be reduced with the agreement of both Captains before the toss. Overs allocations will be reduced but although bonus points will remain the same. Match durations may also be reduced by the umpires in the case of inclement weather before the toss. The normal allocations will be as follows:

Division 1 pink ball	50 overs a side and (a)
Division 1 red ball	110 overs in the day and (b) and (c)

Teas

13. The tea interval shall normally be 30 minutes in duration in all matches and shall normally be taken between innings. The Umpires are empowered to change the timing and length of the tea interval, or to forgo the tea interval altogether, depending upon match circumstances.
14. Teas are optional. The home Club must inform the away club that teas are available and at what cost earlier in the week, and the away club must then indicate in good time to the home club whether they want them.

Ground, Weather and Light

15. The Captains may agree to reduce the available overs in a match at any time before play commences; subject to a minimum of twenty overs per side and the limitations as set out in Appendix C.

In the event that DLS is not available, the League Secretary shall be informed, and the following will be used instead:

16. In all cases of time lost, the first 30 minutes of the delay or interruption shall be disregarded. This time is to be cumulative. If less than 30 minutes have been lost in total, no overs are deducted, but the end times of both innings are extended pro-rata accordingly.
17. In the event of a delayed start or a delay in the first innings, for every interruption one over shall be deducted from both sides for every full seven minutes of time lost.
18. In the event of time being lost in the second innings, one over shall be deducted for every full 3.5 minutes of time lost.
19. The par score shall be decided by multiplying the average run rate per valid ball of the team batting in the first innings by the number of valid balls received by the team batting in the second innings, ignoring fractions of a run. If the team batting first is bowled out, their full overs allocation applies.
20. A minimum of 20 overs must be played in the second innings to obtain a result in all formats. Should there be insufficient overs remaining after a stoppage to enable 20 overs in the second innings to be played, the match shall be immediately abandoned.
21. In Divisions 1 and 2 50 over matches the cut-off time will be 4.05pm and 3.35pm in September. In Division 3 it will be 3.50pm and 3.20pm in September. In Division 1 red ball matches the cut off time will be 3.30pm

Match Balls

21. For all matches, two new balls shall be made available as approved by the League Management Committee. Each team shall provide one ball for each innings. The Umpires shall report any club failing to provide an official match ball. A fine of £25 shall be imposed for each offence and reimbursement shall be made to the club providing a new ball where the other team fails to supply one. The colour of the ball used in any particular match is defined in the Fixtures section.
22. Match spare balls must be of the League standard and shall be supplied by the home team.

Bowling Restrictions

23. In Division 1 red ball matches, no bowler may bowl more than 14 overs in the first innings and no more than 22% of the available overs in the second. Additionally, in reduced overs Division 1 red ball matches no bowler may bowl more than 22% of the available overs in either innings. In all cases, the 22% is to be rounded up to the nearest full over.

In all other matches, no bowler shall be allowed to bowl more than 20% of the overs available in an innings, rounded up to the nearest full over as described in Appendix C.

In all matches, if the bowling allocation is reduced, any overs already bowled surplus to the amended allowance shall stand. An over in progress at the start of an interruption shall be completed by the same bowler after the interruption.

Note: Rules 24-33 do not apply to Division 1 red ball matches.

Free Hits

24. For all deliveries that are called as No-Balls, the Umpire shall award a free hit for the next ball to whichever batsman is facing it. If the delivery for the free hit is not a legitimate delivery, then the next delivery shall become a free hit for whichever batsman is facing it, and so on. For any free hit, the striker can be dismissed only under the circumstances that apply for a no ball, even if the delivery for the free hit is called a wide ball.
25. No field changes are permitted for a free hit delivery unless there is a change of striker or there are safety issues for close fielders, either in front or behind the wicket.
26. The Umpire shall signal a free hit by extending one arm straight upwards and moving it in a circular motion.

Fielding Circle

27. Two semi-circles shall be marked on the field of play with their centres the middle stumps at either end of the pitch and their radii 30 yards. The semi-circles shall be linked by two parallel lines and marked with dots or disks at 5 yard intervals.

28. Power Plays shall consist of three blocks of overs described as Power Plays One, Two and Three in Appendix C; commencing with 10-30-10 overs in Divisions One and Two and 9-27-9 overs in Division Three in an uninterrupted match.

29. In a reduced overs innings, the Power Plays shall be adjusted as described in Appendix C. If an interruption occurs during a Power Play and causes the Power Play overs to be reduced, the Power Play is recommenced immediately upon resumption of play. If an interruption occurs during a Power Play that would cause the Power Play to end, the Power Play is ended immediately upon resumption of play and shall not apply to any remaining balls in that over.

Fielding Restrictions

30. At no time shall there be more than five fielders on the leg side, not including the wicket-keeper.
31. During the first Power Play (if applicable), no more than two fielders are permitted to be outside the fielding circle, not including the bowler and wicket-keeper. During the second, no more than four are permitted, and in the third no more than five.

Penalties for contravention

32. If any fielding restriction is contravened, either Umpire shall immediately call and signal No-Ball.
33. If the Umpires fail to notice the contravention, provided the ball has not come in to play for the next ball or time has not been called; and upon being made aware, the Umpires shall confer. If they agree that the contravention has been missed, a retrospective No-Ball shall be called and the current ball shall be treated as a No-Ball.

Coloured Kit

34. All red ball matches will be played in white kit. Division 1 pink ball matches will be played in mandatory coloured kit. Other pink ball matches will have optional coloured kit.

Bouncers And Beamers

35. A bouncer is defined as a delivery that pitches and passes, or would have passed, above shoulder height of the striker stood upright at the crease.
36. A bowler shall be permitted one delivery as described above per over. The Umpire shall indicate to the bowler and to the striker when such a ball has been delivered. Upon any repetition of such a delivery in the same over, the Umpire shall implement Law 41.6.
37. A beamer is defined as a delivery which passes or would have passed on the full above waist height of the striker standing upright at the crease and the Umpire shall call and signal No-Ball for each delivery. Upon repetition of the offence, the Umpire will implement Law 41.7.

Wide Balls

38. Any delivery, which in the opinion of the Umpire, does not give the batsman a reasonable opportunity to score runs shall be called a wide. Apart from Division 1 red ball matches, a line shall be marked 17 inches inside the return creases between the bowling and popping creases and any delivery that passes the striker either on or outside this line on the off side or outside the line of the leg stump of the striker shall be called a wide irrespective of the position of the striker.
39. A delivery passing between the legs of the striker and the wicket shall not be called a wide.

Declarations

40. In Division 1 red ball matches, the side batting first (only) may declare their innings closed at any time the ball is dead. In all other matches, neither team shall be allowed to declare their innings closed.

Over Rates

41. In Division 1 red ball matches, the bowling side shall be penalised in the following manner:

Bowling at less than 17 overs/hour 1 league point
Bowling at less than 16 overs/hour 2 league points
Bowling at less than 15 overs/hour 5 league points

In all other matches, fielding sides are expected to have bowled the first ball of their allocated last over within their allocated time period as indicated by Appendix C. For example, in a normal 50 over innings, this will be 3 hours 15 minutes.

In all matches, no extra time allowances shall be made for wickets taken, drying a wet ball, extras bowled, sight screen movement or drinks intervals.

Exceptional circumstances (as decided by the Umpires alone) shall be treated as time lost and shall have either over reductions or the innings end time extended as appropriate.

Rules 42, 43, 44 do not apply to Division 1 red ball matches.

42. In shortened matches, the calculated time for the innings shall be 3.5 minutes per over, rounded up to the nearest minute, plus 20 minutes as described in Appendix C.

43. The penalty for not having bowled the first ball of the allocated last over in the allocated time is six runs for every over that is short, ignoring part overs. This penalty shall be awarded immediately the allocated time expires, and shall be recorded under "penalty runs".
44. If the above penalty is awarded in the second innings and results in the team batting second achieving their target or exceeding a par score, the match is immediately at an end.

Grounds

45. A Grounds Sub-Committee shall be appointed by the League Management Committee to determine suitability of clubs entering the League from the feeder competitions. It shall comprise of a minimum of three individuals and shall also deal with pitch reports from Umpires. Failure to meet the Ground Criteria (Appendix E) at the start of a season will result in a 50 point deduction, unless a valid reason for dispensation is granted by the Grounds Sub-Committee.
46. All clubs will nominate a home ground before the start of the season. A 50 point deduction will be imposed if the nominated ground is not used for any League match; unless two adverse umpires reports are received for a ground being unfit, when special permission may be granted.
47. All clubs must completely cover the pitch during interruptions. Every reasonable effort must be made to ensure the pitch is fully covered 24 hours prior to the commencement of the match unless permission is given by either the League Chairman or Secretary. Upon failure to do so, and a report being received from the Umpires, the guilty party shall be fined £50 and shall be given a 20 points deduction.
48. A procedure for pitch reporting shall be agreed between the League Management Committee and Umpires Associations.

49. All creases shall be remarked during the tea interval by the home team. Failure to do so shall result in an Umpires report and a fine of £10 for each occasion.

Sight Screens

50. All clubs must have sightscreens at both ends.
51. It is the responsibility of the batting side to move sightscreens. By convention, the fielding side shall assist the first time a sightscreen needs to be moved at each end. After that, not having a sightscreen in place shall not be regarded by the Umpire as a valid reason for a batsman not to be ready to receive a delivery. Umpires shall monitor sightscreen movements closely and award penalty runs as appropriate.

Umpires

52. Umpires shall be appointed by the League to officiate at matches and they shall be empowered to exercise their authority to uphold the Laws of Cricket and these match rules.

In matches using pink balls, the umpires may wear white or coloured kit, and they need not match.

53. No match shall be cancelled without the agreement of a member of the League Umpires Panel. A fee of £10 is payable to an Umpire requested to assess the condition of the ground.
54. The Umpires shall take control of the ground 30 minutes before the scheduled start of play and shall be the sole judges of ground, weather and light conditions thereafter.
55. Umpires shall optionally mark clubs on the quality of the ground, playing surface and facilities. These forms shall be submitted to the League Secretary whenever deemed necessary.

56. Each team shall be responsible for paying an Umpire's expenses as determined annually at the AGM. For 110 over Division One matches the expenses are £60 (two Umpires present) / £100 (one Umpire) For all other matches, the expenses will be £50 / £80. If no play is possible the expenses will be £25 / £40. If the Umpire(s) are still present after tea and no play has taken place, the Umpire(s) shall be entitled to full expenses as above.

Payments are to be made on the day and can be in cash or by bank transfer. In the cases of only one Umpire being present, the expenses are to be split 50/50 between the teams.

57. For the purposes of these rules, "the Umpire" denotes the Umpire at the bowler's end; "the Umpires" denotes both Umpires acting together.
58. All clubs must have separate Umpire changing facilities.
59. All Captains, Vice Captains and Umpires must have valid DBS certificates. Scorers are exempt as per ECB.
60. Apart from the rules stated here, the Umpires shall apply the Laws of Cricket.

Scorers

61. In Divisions 1 and 2, each team must provide a non playing competent Scorer. If one is not present, the opposing Scorer shall receive £30 on the day from the offending club in cash or by bank transfer. In the case of non-payment on the day, the League will fine the offending club £50 and pass it to the Scorer. In Division 3, the home club (only) must provide a non-playing competent Scorer. In all divisions if a team has no scorer then one of the team MUST score while their side is batting.

Points

62. A team shall win if

it scores the most runs in an uninterrupted match, or

it exceeds the par score in a reduced match, or

the opposition does not achieve at least the par score in a reduced match.

In Division 1 red ball matches the match is a draw if the side batting second does not match the side batting first's total and is not bowled out.

In drawn matches, the team with the higher run rate per over will be deemed to have achieved a 'Winning Draw' and the opponents a 'Losing Draw'. If the run rates are identical rounded up at 0.05 to two decimal places, the team which batted first will be deemed to have the higher run rate.

For the purpose of calculating run rates, if a team declares in the first innings the run rate is calculated based on the number of overs batted. If a team is bowled out in the first innings they will be considered to have batted all the overs that were available to them immediately prior to the fall of the last wicket.

In either event, an over that has been started will be deemed to have been completed.

Winning and losing draws only apply to Division 1 red ball completed matches where the team batting second has had at least 20 overs and is not all out at the close of play.

Win	25 points but no bonus points
Winning Draw	7 points plus bonus points
Losing Draw	2 points plus bonus points
Loss	bonus points only

In Division 1 pink ball matches:

Win	25 points but no bonus points
Loss	bonus points only

In all Divisions 2 and 3 matches:

Win	25 points but no bonus points or 30 points if the opponents are bowled out
Loss	bonus points only

63. In Division 1 red ball matches the result is a tie if

- (i) The scores are level at the end of the match and
- (ii) The side batting second is all out,
regardless of wickets taken in the first innings.

In limited overs matches the result is a tie if

- (i) The scores are level at the conclusion of an uninterrupted match, or
- (ii) The team batting second achieves exactly the par score in a reduced innings match,
regardless of wickets taken in either innings.

Tied teams shall be awarded 18 points and no bonus points.

64. If a match is cancelled or abandoned both sides shall be awarded 7 points. If the first innings is completed, both sides shall be awarded any relevant bonus points from the match.
65. If a club cancels a match due to cup travel (see Failure to Fulfil Fixtures) or forfeited, no points will be awarded to them and their opposition will be awarded 25 points.

66. If a Club from any of the three Divisions provides a new Umpire on the Umpires Panel they will be awarded 2 points every time that individual umpires that season. In Divisions 2 and 3, if a Club provides a non-playing Umpire for the whole game they will be awarded one point. This will be subject to the number of umpires available on any particular day.
67. Bonus points are unaffected by overs reductions. Bonus points shall be awarded as follows

In Division 1 red ball matches:

150 runs scored	1 point	2 wickets taken	1 points
175 runs scored	2 points	4 wickets taken	2 points
200 runs scored	3 points	6 wickets taken	3 points
225 runs scored	4 points	8 wickets taken	4 points
250 runs scored	5 points	10 wickets taken	5 points

First innings batting points are only awarded up to the end of the 52nd over, but are doubled if a team wins the toss and decides to bat first.

In Division 1 pink ball matches:

150 runs scored	1 point	2 wickets taken	2 points
175 runs scored	2 points	4 wickets taken	4 points
200 runs scored	3 points	6 wickets taken	6 points
225 runs scored	4 points	8 wickets taken	8 points
250 runs scored	5 points	10 wickets taken	10 points

In Division 2 and 3 matches:

125 runs scored	2 points	2 wickets taken	2 points
150 runs scored	4 points	4 wickets taken	4 points
175 runs scored	6 points	6 wickets taken	6 points
200 runs scored	8 points	8 wickets taken	8 points
225 runs scored	10 points	10 wickets taken	10 points

League Positions

68. Positions in the league table shall be determined by total number of points. In the event of two or more teams finishing on equal points, the league shall be determined in the following order: most wins, fewest defeats, highest number of bonus points, results in the two matches between the teams, then runs per wicket scored in those matches. If still level, the League Management Committee shall, if necessary, arrange a play-off match.

Failure to Fulfil Fixtures

69. If a club has a ECB National Club or National Village Cup game on a Sunday and the travelling is unreasonable, a game may be cancelled on the Saturday to facilitate travel by agreement with the League Secretary.
70. Otherwise, In the event of a member club failing to fulfil a fixture for any reason other than inclement weather, they shall be deducted 50 points and fined £100. The team available to play shall be awarded 25 points. No fixtures will be rearranged due to inclement weather.
71. All matches are to be played on the date set by the League Secretary. The higher teams in the club must always take priority on all occasions. Seven players must be present and able to take the field for the match to take place. No fixtures will be rearranged after 28 February of each season.

Match Result Reporting

72. All home teams must report the scores of a match (runs/overs/wickets) or report the match was cancelled or abandoned on the League Divisional Results WhatsApp Group (07752 241488) by 11pm on the evening of the match. Failure to report by any team will result in a fine of £20 per occasion.
73. Prior to the start of the match both Captains shall complete a card detailing the players representing their team and give them to the Umpires. The result and points gained shall be entered after the match, and then the Umpires shall sign the completed result card.
74. All score sheets must be entered on play-cricket.com by the home team within 48 hours of the match. Failure to do so shall result in a £20 fine.

ECB Directives

75. All ECB directives and guidelines shall apply and are to be strictly enforced by the Umpires.

Code of Conduct

76. A Code of Conduct shall be applied regarding player behaviour and breaches shall be progressed in accordance with the League's adopted ECB GCR and RCR procedures described in Appendix A.
77. In addition any on-field barring actions with disciplinary offences deemed to be Levels Three and Four shall not be implemented on the field but referred to an automatic hearing. The full reporting procedures will still be followed as per a Level 2 offence.

Promotion and Relegation

78. The winner of Division 1 shall, subject to the rules and criteria as laid down by the East Anglian Premier Cricket League, be eligible to participate in the competition for a place in that League. Should they decline to participate or fail to meet the criteria, then the league runners-up will be similarly eligible.
79. The League shall adopt an active promotion and relegation policy. The exact numbers of teams promoted and relegated in each division each season will vary. The general principle will be two up, two down across the divisions and the bottom two teams in Division Three being relegated to their relevant feeder leagues.
80. The League shall invite the winners of the top divisions of the two feeder leagues into the competition for the following season provided they wish to participate and meet the league criteria. Should there be more spaces in Division 3 or a winning team declines to participate or fail to meet the criteria, the team coming second in that feeder league will be similarly eligible.
81. The League Management Committee are empowered to determine the promotion or relegation strategy in each individual season.
82. Any club can choose to be relegated, up to the League AGM. Subsequent requests will be refused. Any such requests for relegation will result in that club being denied the opportunity of promotion the following season; including rejoining the League if applicable.
83. If a club chooses to leave the league, they will be subject to a £200 fine and that club will be denied promotion back into the league for three subsequent years.

Other Actions

84. In case of failure to comply with any of the above rules, or in any other exceptional circumstances, the League Management Committee shall have the authority to take such action as necessary in the best interests of the League.

95a. League Panel Umpire

Anyone who wishes to join the full League Umpires Panel is welcome provided they meet the criteria above. - (a) Any person who captained the team in each of the relevant match(es)
- (b) The club the cricketer was playing for.

Clubs shall also be held responsible for disorderly behaviour at any part of the cricket ground on any match day by their members and spectators, unless they can show that:

APPENDIX D

QUALIFICATION OF CRICKETERS NOT ORDINARILY RESIDENT

1. A Category 3 player is one not deemed 'Ordinarily Resident'.
2. No team shall field more than ONE Category 3 player. The most common visa types within cricket are the International Sportsperson Visa, Standard Visitor Visa, Tier 5 Youth Mobility and Ancestry Visa. In addition a category of Non-Visa National, which isn't an actual visa, is allowed. All these visa types determine the player as a Category 3.
3. An amateur player on a Working Visa or Tier 4 [Student] Visa will be considered Category 1 subject to meeting the criteria in paragraph 7 below.
4. Clubs must ensure all the relevant regulations are complied with and, if they are not, any such player will be deemed ineligible for registration. Registration is via play-cricket.
5. Clubs registering a player on a International Sportsperson Visa must, when registering the player on play-cricket, email the League Secretary a copy of the player's passport and visa that allows him/her to play cricket/work in the United Kingdom.
6. For all other players not deemed 'Ordinarily Resident', Clubs must forward a copy signed by the player of the following declaration when registering a player on play-cricket.

"I confirm that I have been resident in England and Wales for the past 18 months and, during that period, I have not been outside England and Wales for longer than 35 days consecutively or 70 days in total during the previous 24 months. I also confirm that any payment I receive for playing cricket is not my main source of income. I understand that the punishment for making a false declaration in this regard will be severe and will, most likely, result in a lengthy ban which will apply to forms of recreational cricket in England and Wales."

The declaration must be submitted to the League Secretary by email with a copy of the player's passport or a copy of the visa that allows him/her to remain in the United Kingdom.

7. An unqualified or overseas amateur player who is transferred to the UK for education or work purposes prior to 1st April in the year of his request for registration will be given Category 1 status.
8. In the event of a player making a false declaration, the club will also be liable to disciplinary action if it has failed to carry out all reasonable checks on the player's documentary evidence. Clubs will therefore be expected to keep a record of such checks.
9. If a player who has been granted qualified status due to personal reasons has to leave England and Wales for longer than the permitted period, or a player who has a home in England and Wales, the Channel Islands or the Isle of Man and has been granted 'exempt' status and subsequently accepts a temporary work assignment, unconnected to cricket in another country, then the Club may apply to reinstate his/her 'exempt' status immediately on his/her return. Approval is at the League's discretion and is not automatic.
10. The Home Office "Visa Overview and Overseas Players Professional v Amateur Definitions" provide clarity over what Visas players can/should enter the UK on.
11. The International Sportsperson Visa (Non-First Class Player/Coach) is the usual way that an overseas player meeting the home office definition of a 'professional sportsperson' gets a visa to play as a professional in the non-first class game. They have to meet both the playing and coaching criteria detailed on pages 13-16 of the ECB Governing Body Endorsement 2024 document. The club must have a Sponsor Licence Governing Body endorsement. The Visa requires the Recreational Game Migrant Governing Body Endorsement (GBE) application: COACH-PLAYER.

APPENDIX E

GROUND STANDARDS - 2025

A nominated ground or grounds confirmed by 30th October 2024. Those Clubs using two nominated grounds must identify which ground is being used for each fixture by 28th February of that particular season, and these must be strictly adhered to.

A well-maintained Pavilion with at least two players dressing rooms totally enclosed from the rest of the Pavilion with access to working showers.

A separate room for the umpires, containing chairs and a table, with coat hooks attached to the wall; preferably with working showers, a mirror and a bin.

A clean hygienic kitchen area with running water.

Disabled access to the pavilion (wherever possible) with two separate toilet facilities for males and females, and preferably one for disabled users.

A well-maintained square and outfield with a boundary marked by either a line with boundary flags, boards or a rope and at least one sightscreen at each end.

A scoreboard (or an inside facility with a view of the pitch) to be in place by the start of the 2026 season.

Covering of the pitch by either roll-ons or plastic sheets which cover the run-ups to the length of at least four yards at each end.

Failure to have any of these in place prior to the first home game of the season will result in a £200 fine, and a 50 point deduction.

Dispensation will be considered during the season if things change which are beyond a Club's control.
